

Personas And User Journey Map:

"Art history offers a window into the past, revealing the beauty and challenges of those who preceded us."

Aaron Green
24 / Male

Age: 24
Grade: 2nd year Graduate
Major: Architecture
Hometown: Chicago

English Fluency:

Research Level:

Aaron Green, a 24-year-old Architecture graduate student from Chicago, is pursuing a minor in Art History. Although new to art research, Aaron is committed to efficiently completing this project while balancing his major thesis. His dedication to learning and passion for art motivate him to explore and expand his knowledge in Art History.

Frustrations:

- Difficulty locating artworks efficiently at AIC.
- Challenges in gathering sufficient details about artworks to support research.
- Struggles in finding a clear research direction and identifying appropriate sources.
- Need to balance major and minor thesis due to a heavy workload.

Goal

- Efficiently locate artworks within AIC to balance major and minor thesis workloads.
- Gather comprehensive and accurate background information to support his research.
- Find inspiration for his research direction and discover relevant literature in the field

Aaron’s Problem Statement:

Aaron is a graduate student who **minors in art history who needs to locate the art work he is researching on fast** because **He needs to utilize the fragmented time to complete the research**

Phase

PREPARE

Before Going

LOCATE

At AtIC

OBSERVE

At The Exhibition Hall

RESEARCH

After Visit AIC

RE-VISIT

Visit AIC Again

Actions

Prepare before going

Research AIC website for new exhibitions, note down interesting ones, and download the museum app for future guidance

Arrive at AIC

Arrive at the museum and start looking for inspiration and interested research objects.
Open AIC app to guide

En route to Destination

Using AIC app to locate the exhibition hall
Arron want to visit

Arrived and Observe

Observe in detail each representative work
Listenn to the audio tour offered on the app.

Taking notes and findsimilarrr Art

Find similar work to observe and write down similarity and difference

Deep research on subjects

Review notes, determine research direction, conduct online background research, and visit the library

Oriented observation

Return to AIC for firsthand observation, gain cultural and historical context, jot down thoughts, and begin writing the thesis

Pain points

- **information is not up-to-date** on the website

- The intro **animation** to the app is way **too long**

- The app **doesn't show the locations of all artworks, primarily highlighting tourist attractions**

- The app lacks current information on exhibitions and archived artworks.

- Not all works have audio, and some rare pieces **lack sufficient background information.**

- **Struggle to identify suitable sources.**
- **Difficulty accessing resources.**
- **Time-consuming** resource searches

- **Unclear museum map info slows down** research.
- **Notes scattered,** requiring time to organize and deepen thought

Opportunties

- Keep All Info Related To AIC Up To Date.

- Shorten Or Remove Intro Animation.

- Provide a complete map with the location of all exhibits

- Keep info up to date

- Transcripts For Audio Descriptions And Artwork Recommendation

- Recommend Article And Search Keywords Related To The Works

- Provide Customized Navigation Routes
